

OWN THE STAGE

The Ultimate Performance Workshop for Singers

Workshop Information Form

Congratulations!! You've taken the first step to becoming a GREAT performer on the stage!

I'd like you to take the time to answer a few questions about yourself as a singer/performer so that we can make this the best possible learning experience for you.

Be sure to let us know if you are willing to be a "guinea pig performer" during one of the sessions, or if you would like to put your name in the hat to have an opportunity to showcase during the evening session. Singers wanting to do so must bring their backing tracks on CD. If you have any questions, feel free to call or email us.

Your Name: _____

Your Email: _____

Are you a soloist, or do you perform with a live band?

Do you use pre-recorded tracks, play an instrument, or both? Please list instruments played.

How long have you been singing (and/or playing)?

Is there anything else we should know about you?
